
**The Collie Club of Colorado invites you to attend the
Collie and Shetland Sheepdog Skull Development
Seminar presented by Brenda Miramon**

Brenda has spent decades studying the nuances of expression and the complexities of the skull. In this seminar she shares her knowledge and expertise, learned under the mentorship of Gerthstone's Dot Gerth and Wickmere's Bobbee Roos. Because of her relationships with both, Brenda inherited the "Dot Gerth Skull Collection". This collection is an amazing learning tool for breeders.

The seminar includes hand-outs, a hands-on session, and the many skulls she will bring. Don't miss this opportunity to learn from Brenda's in-depth experience!
