

Collie Club of Colorado Board Meeting Minutes October 19, 2016

Present : Kelly Neeley, Peggy Heywood, Kathy Mesler, Chuck Crone, Donine Schwartz

Discussion regarding transportation for Brenda Miramon.

Peggy: Ending balance in checkbook is \$7106.55

Kelly : Move on. We were discussing transportation for Brenda.

Chuck: She gets in on Thursday.

Kathy: I have some confusion as to what day Bob and I should pick her up and take her to the hotel.

Chuck : I sent an email to Patrick to thank him for offering to take her out to dinner. That is a work in progress. At first we thought Kelly would do it.

Kelly : We need to find out when Brenda wants to be there on Friday. Linda has a bitch entered and it might be too hard for her to get Brenda.

Chuck : I will take care of taking her back. Hildy was saying Days Inn has a shuttle. They are taking Bill over in the morning. Maybe they will do it for Brenda as well.

Kelly : She says Days Inn has a shuttle. They are taking Bill over to the show site. Maybe they will take her over too, but we don't know.

Puppy Sweeps are at 2:45, then 40 minutes for the Group, maybe. I don't know what Brenda's plan is but she can come to the show and watch whatever she wants.

Chuck : I can't see her twiddling her thumbs until 4:00.

Kelly : That is completely within her right. If she doesn't want to come over early Chuck could pick her up at 4:00. That should give her plenty of time.

Chuck : I am thinking even earlier than that.

Kelly : She can do whatever she wants. I've already wondered if she might want to come to the pot luck. She would have to go through the food line with Bill first. Again, what does she want to do?

Chuck : I will give her a phone call tomorrow so we have a general idea of what we are doing.

Kelly : Bill is 10:20 in ring 5. We will roughly be serving our pot luck around noon. I can definitely see his judging being done by noon. We could start at 12:00 to 12:30. Bill should go through the line first. Hopefully he would be done by noon with his photos done by 12:30. Terricone starts at 12:45 with Aussies.

Chuck : I will also shoot Bill an email to see if CDHA or Hildy have contacted him. I will call Brenda.

Kelly : Chuck, anything else?

Chuck : Haydee is for sure the other steward. Ninety percent sure Haydee will be helping.

Peg : Everything's good. Need to make signs for donations. Ribbons and Rosettes are here. Everybody got emails about the pot luck. Lynn is doing breakfasty stuff. Brenda Wood is meeting everything on her end.

Kelly : Peg, has Brenda said when she will get the catalog to you for printing?

Let her know when you are taking off. I know you haven't gotten the stuff for the seminar yet. She said something about mailing it to you. I think everything is coming together for the show and the seminar.

Chuck, did you get the stuff straightened out for February? Do we know how all that stands?

Chuck : I did send them the things they need. Corrected the fees and sent them. Have not gotten anything back from them. I will give them a call, too.

Kelly : Anything else?

Chuck : I want to assure everyone that I have the right days for the show!

Meeting adjourned at 8:21.
