

Collie Club of Colorado

General Meeting Minutes

September 24, 2016

Meeting called to order at 12:04 pm.

Attending: Peggy Heywood, Kelly Neeley, Tracy Nolton (guest), Brenna Galevsky, Julie Billingsley, Jill Chase, Janet Kaufmann, Cindy Cornelius, April Fingerlos, Hildy Morgan, Linda Fleming, Kathy Mesler, Joann Romero, Shelley

Treasurer's Report : Same as Board Report.

Kelly : The bank balance is dwindling, but slightly. Think we will be upside down on the seminar. If we break even, great. Cost is \$10.00 for members and \$25.00 for guests. The excess baggage cost and the extra night in a hotel will come from the seminar. Peggy will do the printing.

Kathy : Can participants sign up that day? Ideally we can get shelties and Australlian Cattle Dogs there in the morning when they come to show.

Brenda will be able to grab dogs from the show she wants to work with at the seminar.

Peggy : Brenda has made her flight schedule.

Hildy : It will be hard to bring her stuff with the shuttle. Days Inn has its own shuttle service. When do you want CDHA there in the morning?

Kelly: I thought I told Chuck 10:00. Want Bill Brokken to judge his CDHA breeds in the same rings as out specialty. The evening specialty starts 30 minutes after the Herding Group is over.

The club is contributing breakfast stuff. Coffee, etc. May have 2 or 3 jars for donations. Want to do collies at about 10:00.

Kathy : I take it the CDHA issue has been resolved?

Kelly : That premium list was up yesterday, so we're good.

Hildy : We can hang in there and hope they go up properly, or we ask to be released.

Kelly : Will they fight us?

Hildy : Next Spring when I send out the invitations we will have to make a decision. Maybe I should ask Diana and see what she thinks about what we should do.

The problem was we couldn't get Buckhorn up. They just decided if they don't have it done by July 1st, then they won't be part of it.

I don't think there would be a big stink. We should start now. Let's have Chuck write an official letter.

Kathy : Is there a point when you can no longer hold a show because the premium is just out too late?

Shelley : You have a specific date at which you get fined and then you can't hold the show.

Kelly : I'm thinking they won't want to let collies out . We need to know when they will cut off the date.

Hildy : They don't keep records on the baby puppy thing. They had approval before they had all their info in. Let's have Chuck send a letter and see what their reaction is.

Kelly : Everyone agree?

Linda : I will second it.

All Agreed.

Kelly : Anything else about October? Let's get to February. Plum Creek has a 1200 dog cap. So get entries in.

On Friday they will put Herding with 3 other groups. Saturday is the other 3 groups, along with Juniors and BIS.

Joann : CKC can have the venue for two years and then CDHA may be able to have it.

Kelly : Anything else?

The seminar closes one week after the specialty closes. The date is the 16th (Thursday?

Jan : Who is the bad guy here? CKC or Plum Creek?

Kelly : There are two sides to every story. CKC kicked Plum Creek out and now they have a big bill over there.

There will be no more general meetings until after the specialty. Maybe at the Happy New Year party we can talk about the February show for a few minutes.

Juniors are in the morning and sweeps in both.

Meeting Adjourned 12:49pm.
